# ETHICAL CONDUCT GUIDELINES

## PURPOSE:

Each member of the Basset Hound Club of America will consider the welfare of the breed when engaging in any activities involving the breeding, selling or competition of Basset Hounds. BHCA members, both individuals and member clubs, are urged to comply with the following guidelines:

## GENERAL:

1. Members of the Basset Hound Club of America will abide by the constitution and by-laws of BHCA and of the American Kennel Club.
2. Members will ensure that all dogs in their care are provided adequate food, water, and shelter, opportunity for exercise, veterinary care, and personal attention to monitor their needs.
3. Breedings will be directed toward producing Basset Hounds of exceptional quality in breed temperament, Basset Hound type and ability to hunt game. Members shall follow the recommendation for screening and/or testing of breeding stock for inherited diseases/disorders as set forth in the BHCA Health Policy. Only healthy and mature dogs and bitches free of congenital defects and of characteristic breed type, sound structure and temperament shall be bred.
4. Members should not undertake the breeding of a bitch unless they are prepared to act responsibly with whelping, rearing puppies and the disposition of the resultant puppies. 5. Basset Hounds offered for sale or males offered at stud must be presented honestly regarding their pedigrees, their potential and their faults or the fault possibilities, structural or health related that may develop in maturity.

## AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
